A screenshot of a Google Chrome browser window showing a dark-themed homepage. The top navigation bar displays several open tabs, including "You are signed in as", "Convert folder to CR", "Extensions", "Don't Miss Out! NPR", "Home - Canva", "Sai Vachan - 1200", and "New tab". The search bar at the top contains the placeholder "Search Google or type a URL".

The main content area features a large, ornate graphic for the year 2026. It includes a golden "G" with a heart icon, a red book with "2026" and a pencil, and the word "gle". To the right of this graphic is a portrait of a man in an orange shirt, enclosed in a circular frame with a gold border, set against a black background with gold scrollwork.

Below the main graphic is a search bar with the placeholder "Search Google or type a URL".

At the bottom of the page, there is a row of circular icons with labels: Chat gpt, Medium, Canva, Linktree, Sophos, LinkedIn, Inside LVMH, Notebook, Grok, and Litmaps. On the far right, there is a "Customise Chrome" button.

The taskbar at the bottom of the screen shows various pinned application icons, including File Explorer, Search, Control Panel, File Manager, Task View, HP, and others. The system tray on the right side of the taskbar displays the date (01-01-2026), time (18:50), language (ENG IN), battery status, and signal strength.
